www.hmg.it

WHAT

Photographic exposition "Subversives" by Alessandro Esteri, Stazione Leopolda, Firenze.

HOW

An exposition of 252 large format-portraits with restaurants, book shops and special events during 22 days.

WHY

During the social forum in Florence that welcomed more than one million people, Alessandro Esteri took more than 500 portraits with a mobile studio in a period of 10 days.

WHAT

The large format catalogue for "Subversives", the photographic exposition by Alessandro Esteri.

HOW

Beautiful in their oversized prints at the exhibition, it seemed appropriate to keep the same spirit in the catalogue.

WHY

This large format allowed us to generously display the photos as well as play with the layout and text. It just felt right...
